Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government

SB 2 would re-assign numerous counties from their current Senatorial district to a different district. Since there are primary and general elections scheduled to occur in 2022, an emergency is declared and the bill will be effective on its passage and approval by the Governor or upon its otherwise becoming law.

The fiscal impact of SB 2 on local governments is indeterminable but could be significant if the proposal splits precincts requiring voting machines to be reprogrammed and registration books to be updated. If the precincts are kept intact, then cost should be minimal.

Part III: Differences to Local Government Mandate Statement from Prior Versions

Part II refers to SB 2 as introduced. There is no prior version of this bill.
